NEERAJ ARUN SALVE

neerajsalve01@gmail.com | +91 9112479044 | github.com/NeerajSalve2002 | linkedin.com/in/neerajsalve01

PROFILE

Software Engineering / Full-Stack Developer with a strong interest in coding, DSA, problem-solving and building practical applications. Enjoys taking difficult problems from understanding to a working solution and staying persistent until the problem is solved. Hands-on experience with Java, MERN stack, Android development and data analytics.

TECHNICAL SKILLS

- Languages: Java, JavaScript, Python, C++, C, SQL/MySQL
- Web: React.js, Node.js, Express.js, MongoDB, REST APIs, HTML, CSS
- Core: DSA, OOP, DBMS, Operating Systems, Problem Solving
- Tools: Git, GitHub, Android Studio, Tableau, Excel, MS Office

EDUCATION

B.E. – CSE(AIML) | Saraswati College of Engineering | 2024–2027

Diploma – Computer Science | S.S. Jondhale Polytechnic (MSBTE) | 2021–2024 | 80.57 %

EXPERIENCE

Data Analytics Virtual Internship | Deloitte | May 2026

- Performed data analysis in a forensic technology simulation.
- Designed an interactive Tableau dashboard to identify patterns and insights.
- Used Excel to classify data and convert findings into actionable conclusions.

Android Development Intern | UEF Pvt. Ltd. | Jun–Jul 2022

- Built a College Management Android application using Java and Android Studio.

Apprentice | ASB International Pvt. Japan Ltd. | Jan 2020–May 2021

- Worked in a fast-paced industrial environment, applying Kaizen-oriented process discipline, teamwork, quality and problem-solving.

PROJECTS

Tradify – Trading Platform | MERN Stack | In Progress

Full-stack trading web application using React, Node.js, Express and MongoDB. Built responsive UI, REST APIs, authentication and portfolio management; implementing trade execution, watchlists and real-time market-data integration.

College Management System | Android + MySQL

Developed an Android application for attendance, notices/email updates and authenticated user profiles with MySQL backend.

LEADERSHIP & ACHIEVEMENTS

- **Placement Coordinator | TPO, SCOE:** Coordinated placement activities for 500+ students and communication between students, placement cell and recruiters, supported recruitment drives, pre-placement talks and aptitude sessions.
- **JNT Social Media Head | AISA, SCOE (2025–2026):** Led a 7-member team for digital marketing initiatives.
- **Coding & Problem Solving:** Consistently practices DSA and builds software projects; created the tech-focused “Code Command HQ” channel to share coding knowledge and projects.
